**Subject:** Bayou Corne Update?

We are having a briefing for our new boss just after noon today and looking for an update on the situation. In addition to the update, are there any new pictures? What is the current size of the sinkhole? And are in home monitors being installed in the homes?

I've been out for over a week and just getting back, so I apologize for the sudden request. Thanks.

This Email message contained an attachment named  
image001.jpg  
which may be a computer program. This attached computer  
program could  
contain a computer virus which could cause harm to EPA's  
computers,  
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses  
introduced  
into the EPA network. EPA is deleting all computer program  
attachments  
sent from the Internet into the agency via Email.

If the message sender is known and the attachment was  
legitimate, you  
should contact the sender and request that they rename the  
file name  
extension and resend the Email with the renamed attachment.  
After  
receiving the revised Email, containing the renamed  
attachment, you can  
rename the file extension to its correct name.

For further information, please contact the EPA Call Center at  
(866) 411-4EPA (4372). The TDD number is (866) 489-4900.
